

JOB ANNOUNCEMENT

PERMIT ANALYST/PLANNER - COASTAL PROGRAM ANALYST II

CENTRAL COAST DISTRICT OFFICE — SANTA CRUZ

**FULL-TIME OR POTENTIAL HALF-TIME, LIMITED TERM POSITION
(WITH THE POSSIBILITY OF BECOMING PERMANENT)**

The California Coastal Commission is seeking one talented addition to its District Office team located in Santa Cruz. The Commission is a small state agency that is charged with protecting coastal resources and managing coastal development in California. The mission of the Commission is to provide for the balanced use of the coastal zone and to protect, restore, and enhance coastal and marine resources for the continuing benefit of current and future generations. Employees at the Commission enjoy working on a broad range of issues to plan for and manage coastal land uses while protecting important coastal resources including wetlands, habitats that support rare and endangered species, scenic landscapes and views to the sea, public shoreline access and recreation opportunities. The Commission's staff includes dedicated planners, scientists, attorneys and administrative staff.

The duties of the Coastal Program Analyst II include the following:

- Review coastal development permit applications for conformity with California Coastal Act requirements;
- Analyze coastal land use plans and zoning ordinances prepared by cities and counties in the coastal zone for conformity with California Coastal Act requirements;
- Prepare written recommendations to the Commission on permit applications and other matters;
- Review compliance by applicants with the terms of previously issued coastal permits;
- Monitor the coastal regulatory and planning programs of assigned cities and counties and participate through means such as commenting on proposed developments under review at the local level and assisting local government planners in interpretation of California Coastal Act and Local Coastal Program (LCP) policies;
- Provide information to permit applicants and members of the public regarding the Commission's regulatory and planning programs;
- Take a proactive approach to identifying and solving problems of LCP interpretation and implementation;
- Perform miscellaneous other tasks, including analyzing the environmental impacts of projects in the coastal zone; interpreting mapped information; visiting the sites of coastal projects; and attending meetings with local, state, and federal government agencies.
- Some travel and fieldwork is required.

Knowledge of the California Coastal Act; the California Environmental Quality Act (CEQA); current state planning law, and principles and practices of land use planning is critical. A background in planning, environmental studies or resource management, or a closely related field is desirable.

The successful candidates must demonstrate strong analytical skills and the ability to research and creatively explore complex coastal resource issues. Effective writing and communication skills and the ability to work both independently and as a team member are critical. Analysts are expected to be rigorous in identifying issues and pro-active in their problem-solving efforts.

ELIGIBILITY: Current state employees or former state employees with transfer or reinstatement rights at the Coastal Program Analyst II or comparable classifications. Eligible individuals on the Coastal Program Analyst II list are also encouraged to apply. Appointment is subject to the State Restrictions of Appointment (SROA) provisions. Applicants must clearly indicate the basis of their eligibility, including SROA, surplus, transfer, re-employment status, or list eligibility in the Examination or Job Title section on the State Application Form 678.

SALARY: Coastal Program Analyst II \$4619 – \$5616 per month*

* Please note that the state is currently under a mandatory three days per month unpaid furlough until June 30, 2010
